Re: Aldi Incorporated Application towards the New Hampshire RPS – Class II (Solar)

Dear Mrs. Reno,

Please find enclosed to this letter the application for Aldi Inc. towards the New Hampshire Renewable Portfolio Standard – Class II Resource.

Aldi Inc. recently constructed a 570 kW solar photovoltaic system for a storage site located in Windsor, Connecticut. The project came online on December 31, 2008 and has begun producing electricity.

Should you have any questions regarding this material please do not hesitate to contact me at 914.323.0257 or Brian McGee 724-352-9393 ext. 221.

Again, we appreciate this opportunity and look forward to your review of our proposal.

Sincerely,

Supria Ranade

Associate – Renewable Energy Markets
